Premier School of football end of season activities

To mark the end of its first football training season, Premier School of Football organised a Target Shoot-Out for all the boys attending the school.

The youngsters competed within their respective groups where each boy took 20 target shots. The boy who managed to gather the highest number of points in his group, won the competition and a trophy. The boys were also encouraged to find sponsors and the one with the highest amount of money collected was rewarded with a trophy with his name engraved on it, to keep for a year.

On the following day the boys were invited to a barbeque and presentation night organised at Gnien Arjuza.

The boys' parents and relatives joined in to make this evening a very enjoyable experience

and a wonderful family gathering. The night commenced with a thanksgiving Mass celebration and later proceeded with a barbeque followed by the season's awards presentation.

This included the most improved players' awards for the months of April, May and June. Moreover, each and every boy that attended the school during the year was given a memento for his participation. A special trophy was also awarded to the most dedicated and improved player over the whole season. Target shoot-out awards were also presented during the evening.
